

CORRECTION

For the article “The efficacy and safety of closure of brachial access using the AngioSeal closure device: Experience with 161 interventions in diabetic patients with critical limb ischemia”, published in J Vasc Surg 2008;47:782-8, a sentence in the third paragraph under the Results section erroneously stated that 157 patients underwent stenting. The sentence should read: “Angioplasty was followed by stenting in 57 patients, and direct stenting was done in two patients”.

CORRECTION

For the article “Transfemoral endovascular treatment of proximal common artery lesions: A single-center experience on 153 lesions”, published in J Vasc Surg 2008;48:80-87, the name of the following author was omitted: Gergely Léránt, MD.
